

## SAJ-043-S1-WP

## Trihedral Corner Reflector, 4.3"

**SAJ-043-S1-WP** is a 4.3" x 4.3" x 4.3" trihedral corner reflector, featuring a rugged aluminum construction with a gold chemical film finish. The trihedral reflector simulates radar target precisely and is widely used for Radar system calibration. With a ¼-20 threaded hole for a built in mounting bracket, the reflector can be mounted onto a tripod for rapid system setups.

## Mechanical Specifications:

Item	Specification
Mounting	¼-20 Threaded Hole
Material	Aluminum
Finish	Gold Chem Film
Weight	1.0 lbs
Edge Length	4.3"
Outline	AJ-S-4.3

## ECCN

EAR99

## FEATURES

- Compact Size
- High RCS
- Rugged Configuration

## APPLICATIONS

- Radar Target Simulator
- Radar System Evaluation
- Radar System Calibration

## SUPPLEMENTAL DETAILS

Calculated Radar Cross Section and Relative Magnitude

**Mechanical Outline:** (Unless otherwise specified, all dimensions are in inches [millimeters])

**NOTE:**

- On condition that simulated test data is provided, actual measured data may slightly vary.
- Eravant reserves the right to change the information presented without notice.
- For more information on corner reflectors, an informative blog is provided here:  
<https://www.eravant.com/corner-reflectors>
- To calculate the RCS and relative magnitude for a specific frequency, an online calculator is provided here:  
<https://www.eravant.com/corner-reflector-calculator>

**WARNING****SHARP METAL EDGES - SEVERE INJURY RISK**

- Handle with extreme caution. Sharp and pointed metal edges can cause severe cuts, punctures, or bodily injury.
- Wear heavy-duty gloves and appropriate protective equipment during handling, assembly, and installation.
- Use care to prevent slips, falls, or accidental contact with the product.
- Do not leave unattended in areas accessible to children or unauthorized personnel.
- Ensure product is securely stored or mounted to minimize risk of accidents.
- Failure to follow these warnings could result in serious injury.
- Eravant assumes no responsibility for injuries resulting from improper handling, installation, or storage of this product.
