

## Antenna Mounting Fixture for SAC-0231831225-SF-S4-DP

### Description:

Model **SAX-MT5000-R1-4.6** is an antenna mounting fixture for SAGE Millimeter's model **SAC-0231831225-SF-S4-DP**. The mount has 0.20" diameter holes, which allow for 10-32 screws to attach the mount to a testing fixture. The mount also has a ¼-20 threaded hole for convenient tripod mounting. The fixture is designed and fabricated by using durable and microwave friendly plastic material to offer maximum mechanical strength and minimum signal interference.

### Features:

- Low Microwave Interference
- Designed for SAC-0231831225-SF-S4-DP
- Indoor and Outdoor Applications

### Applications:

- Antenna Mount
- Antenna Range
- Test Lab

### Mechanical Specifications:

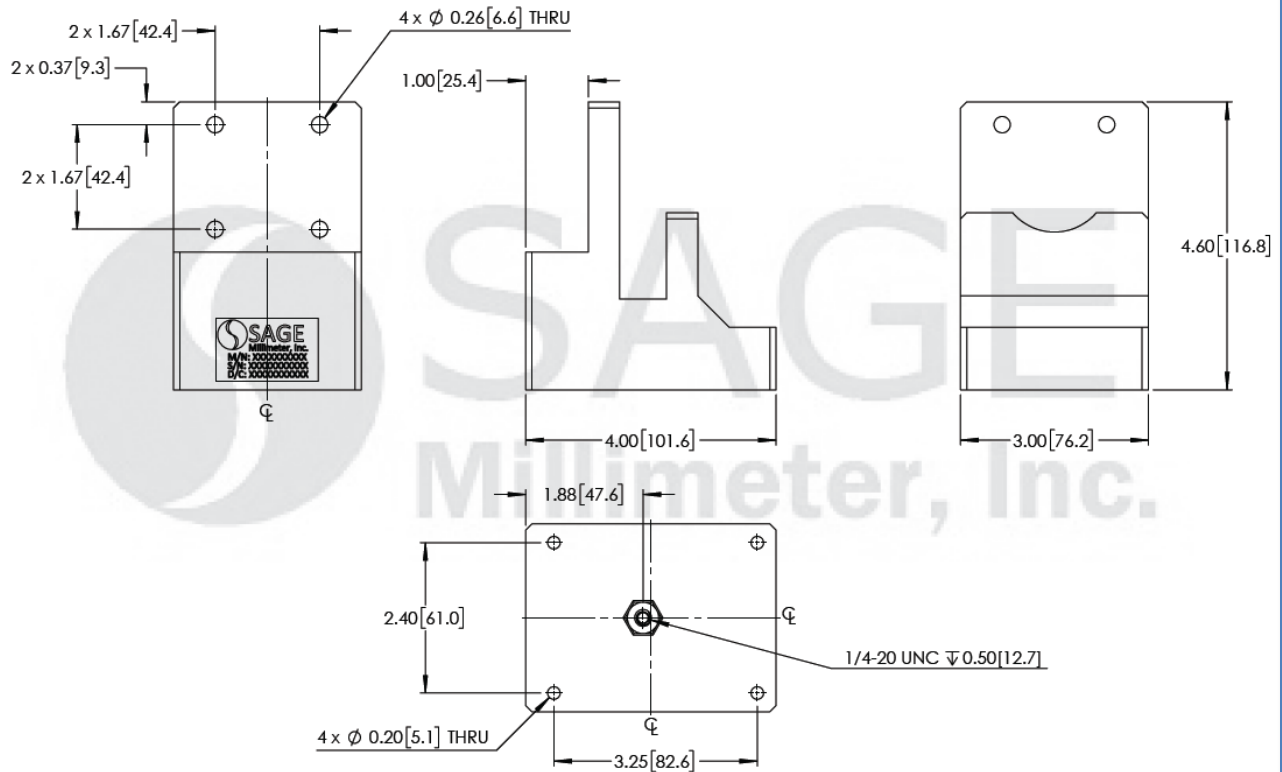

Item	Specification
Material	Plastic
Weight	14 Oz
Dimensions	4.00" (L) x 3.00" (W) x 4.60" (H)
Outline	AX-MT5000-R-4.6
