

## V-Band Fixed Attenuator, 40 dB Attenuation

### **Description:**

Model STA-40-15-F1 is a 40 dB fixed attenuator that is used in millimeterwave systems and operates from 50 to 75 GHz. The attenuator has a fixed attenuation value of 40 dB at center frequency, 62.5 GHz. The attenuator's

waveguides are manufactured with precision wire EDM to ensure high accuracy and a quality internal surface finish. The design features anti-cocking flanges to reduce misalignment errors and a sandblasted surface treatment to provide a durable finish. While the attenuator is designed for full waveguide band applications, the attenuation value does show a minor slope within the band due to its distinct mechanical configuration. Other attenuation values are available under different model numbers as STA-XX-15-F1, where XX is the desired attenuation value.

#### **Features:**

- Full Band Coverage
- Low Cost
- Accurate Attenuation Value at Center Frequency

### **Applications:**

- Test Lab
- Instrumentations
- System Integration

### **Electrical Specifications:**

Parameter	Minimum	Typical	Maximum
Frequency Range	50 GHz		75 GHz
Attenuation @ 62.5 GHz		40.0 dB	
Return Loss		20 dB	
Power Handling	- / N	500 mW	750 mW
Specification Temperature		+25 °C	
Operating Temperature	-40 °C		+85 °C

# Mechanical Specifications:

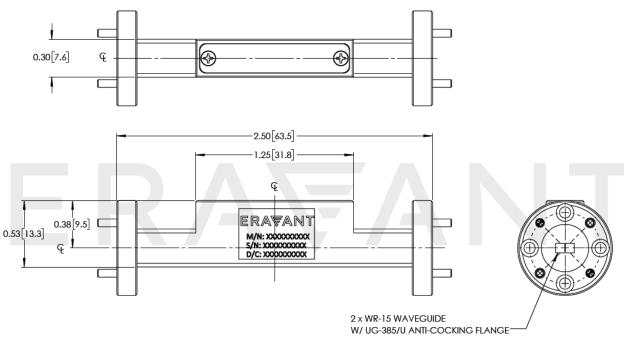

ltem	Specification		
Waveguide Ports	WR-15 Waveguide with UG-385/U Anti-Cocking Flange		
Attenuation Setting	Fixed		
Insertion Length	2.50"		
Material	Brass		
Finish	Gold Plated		
Weight	1.7 Oz		
Outline	TA-FV-A

Mechanical Outline: (Unless otherwise specified, all dimensions are in inches [millimeters])

#### Note:

- All data presented is collected from a sample lot. Actual data may vary unit to unit, slightly.
- All testing was performed under +25 °C case temperature.
- Eravant reserves the right to change the information presented without notice.

#### Caution:

- Exceeding absolute maximum ratings will damage the device.
- Any foreign objects in the waveguide will cause performance degradation and may damage the device.
